JUNIOR ACHIEVEMENT (JA)

Develop your entrepreneurial skills and learn how to work as part of a team by participating in the Junior Achievement Club.

JA is a start-up accelerator that provides students with the tools to develop their very own business. The JA Club provides an entrepreneurial learning experience for young people aged 15 to 19. It seeks to nurture a new generation of entrepreneurial, innovative and civic-minded talents for Cyprus. Participants learn how to take a business idea from concept to reality and have hands-on experience of running a real business: from team formation; capital raising; business plan development; product development; marketing and sales to liquidating the company
